GUIDELINES FOR TRANSFER ON DEATH (TOD) REGISTRATION

Eligible Owners

The Transfer on Death (TOD) registration format can only be used for (1) sole owner accounts for natural persons, and (2) natural persons holding the shares as joint owners with rights of survivorship (i.e., JT WROS or TEN ENT). TOD registration is not available for nonnatural persons (e.g., corporations, trusts, associations), tenants in common or community property registrations.

Eligible Beneficiaries

The beneficiary on a TOD registration can be a natural person or other entity such as a trust, corporation or guardianship. If more than one beneficiary is designated on the TOD account, upon the death of the last surviving account owner(s) the surviving beneficiaries will be considered to own a proportionate share of the account. Custodians under The Uniform Transfers to Minors Act are permitted beneficiaries in a TOD registration. Custodians under the Uniform Gifts to Minors Act are not permitted beneficiaries in a TOD registration (because the UGMA only applies to gifts made during the lifetime of the account owner). No designation such as Lineal Descendants or Lineal Descendants Per Stirpes are permitted. Until the account owner(s) dies, the named beneficiary has no rights in the shares in the TOD account and no instructions can be accepted from, or information provided to, such beneficiary. If the beneficiary fails to survive the account owner, the account will be treated as belonging to the owner's estate. If the beneficiary survives the owner but is not alive at the time the shares are presented for transfer, the shares become part of the beneficiary's estate.

Transfer and Revocation During Life of Owner(s)

The owner(s) of the account may change or revoke the TOD registration with clear written instructions to IMS Family of Funds, c/o Unified Fund Services, Inc., P.O. Box 6110, Indianapolis, IN 46206-6110. If there are outstanding share certificates for the TOD account, the certificate must be properly endorsed by the surviving owner(s) with their signatures guaranteed by a financial institution of the type described in the Fund prospectus. In addition, the surviving owner(s) must provide the Fund and its transfer agent with evidence of the death of the deceased co-owner (certified death certificate) and inheritance tax waivers and/or affidavits of domicile of the deceased co-owner, if applicable.

Neither the Fund nor its transfer agent are responsible for determining the tax and legal consequences to you concerning your decision to register your fund shares in TOD form. Neither the Fund nor its transfer agent shall be responsible to a designated TOD beneficiary for dividends or distributions in respect of share registered in TOD form paid after the owner's death but before the transfer of such shares to the designated beneficiary.

Future changes in These Guidelines. These guidelines are subject to change by IMS Family of Funds and its transfer agent in response to changes in TOD statutes as adopted in several states and in the Securities Transfer Association's TOD Rules.
